

Thank you for caring for our community and making a difference to students and teachers all over Northern Arizona. Below is a list of needed classroom supplies.

These are the top requested items:

- Kleenex
- Notebook Paper
- Pencils
- Spiral Notebooks
- Ink pens
- Sticky notes
- Glue sticks
- Dry erase markers and erasers
- Tape
- Colored markers and pencils
- Hand sanitizer and disinfecting wipes

In addition, we know that many children in our communities do not have books in their home to promote reading skills. We are once again joining with Bookman's in Flagstaff to collect Kindergarten through 3rd grade level books.

NEW THIS YEAR: We are collecting boy's and girl's closed-toe shoes of all sizes – appropriate for school. These can be sneakers or other closed-toe shoes.
